In accordance with the policy of our Board of Directors, a family who belongs to a synagogue in the Greater Phoenix area will receive a discount of **\$440 per family**. The Board believes it is important to recognize the value of synagogue affiliation in the life of a Jewish family and the financial burden that synagogue membership may entail.

Pardes Jewish Day School defines a synagogue as an organization which provides the opportunity for regular worship and a venue for life cycle events, facilitating participation in Jewish spiritual and communal life. A complete list of synagogues is available in the Admissions Office. The school will confirm your affiliation with your congregation after the school year begins. If your circumstances have changed at that point in time, we will modify your billing as appropriate.

Please complete and submit this form to the Admissions Office with your child's enrollment agreement.
